

PRIVACY STATEMENT

YogaLine respects your right of privacy.

Your information will not be disclosed/shared/reachable to third parties. With this privacy statement, we will inform you about our methods and what is done with your personal data.

Browsing our website

During your visit on our site, we do not ask for personal information.

However when you visit our website, we will register your click behavior. This includes; the pages you visit, the packages that you check and from which page you leave our website. We only follow this to measure the interest in certain parts of our website. These data are only used for our own research. This way we can keep our website up to date and to be able to meet our customers expectations.

Booking

For a booking, we need some personal data. These are your name, country of residence, date of birth, telephone number (s) and email address. We also ask for you to let us know if there are any health issues, this is for your own safety in the classes! These data are used exclusively for matters relating to your booking, for us to know who is going to participate?

Updates & newsletters

When you're signed up for the newsletter on our contact page, we will inform you very few times about our special offers by email. Do you want to stop receiving our newsletter? Then you can easily unsubscribe yourself via our email.

The privacy law

YogaLine respects the privacy of all users of our site and ensures that the personal information you give us will be treated confidentially and carefully. We use your information to handle your booking, to provide information about your journey and other offered services, and to do internal analyzes to improve our performance and service level.

When you book a trip, subscribe to our newsletter or ask for other information, YogaLine will keep your data only there where it's been received, we don't stock it into any online files. You agree on our terms and conditions with

sending back the registration form and therefore as a client we have your data. We comply with the Data Protection Law. YogaLine uses your data and that of fellow travelers to be able to meet the travel agreement. Your details and those of fellow travelers can be used by YogaLine to inform you about relevant travel-related products and services.

If you have any objections to this, please contact us. At all times, you can get an overview of your data via our email. If you do not want that your data will be used for information send by us, you can make this known to us via email.

Your personal information is safe with YogaLine.

We appreciate the trust you place in us and that is the reason for us to handle the personal information you provide to us extremely careful. When you book a holiday on the YogaLine website your data is protected by third parties. We use one of the latest technologies; Secure Socket Layer (SSL). Your data and the data of the fellow travelers will always be protected and kept confidential on and offline.

Feedback forms

To fill out a survey/feedbackform you don't have to enter any personal data. We use our surveys only for your opinion about our holidays, so we can learn from it . Also, it will help our site and our packages to meet our customers needs better. These are anonim unless you want to share your name and nothing more but your name (first name).
